********** MEETING NOTICE **********

A regular meeting of the DLARC will be held on Thursday, May 1 at the new club site located at the Northampton County Alternate E.O.C. at the Gracedale Complex near Nazareth. The starting time will be 1930 hours EDST. W3BCA will present a review of last year's Field Day activities which will be followed by a planning session on this year's edition.

BANQUET

A jolly group of club members, wives and friends gathered in Hellertown for the Annual DLARC Banquet on April 5th. The magician pulled off a terrific trick. He disappeared before appearing. We are sorry to say that he was not able to appear due to a sudden illness.

The group provided their own entertainment by eating, visiting and talking. Some of us met John (W3AMC), Ed (W3BNR) and Ed's wife Sally for the first time. Glad they traveled the long distance to spend the evening with us.

We also found out that Arnie (W2OAF & K3INV) really exists and is well and living near Kintnersville. Incidently, Arnie and Johnny (W3EDD) met again after approximately 30 years. They last met when Johnny was an electronics instructor in the Navy and Arnie was a student. They were reunited through a recent QSO on WR3AAB.

SIGNALS AND NOISE

Marge (WA3Fpp) has recently been heard on the Sunday morning Eastern PA RACES Net.

Kay (K3IBH) recently completed a Heath TV kit that works great. She is currently shopping the catalog for her next project.

Al (WA3CXM) is active in backpacking these days and is hiking the Appalachian Trail.

Bob (K3MAZ) and Russ (WA3SJR) both have built the Heathkit digital thermometers and find them very handy devices.
