

Winter Field Day

January 27th and 28th 2024

Setup 11:30 AM EST, On the air at 2 PM EST and Off the air at 1:59 PM EST

CQ CQ CQ...

Get out and participate in the 2024 Winter Field Day event! WFD is a winter emergency communications exercise sponsored by the Winter Field Day Association.

We passionately believe that ham radio operators should practice portable and fixed emergency communications in winter environments as the potential for freezing temperatures, snow, ice, and other hazards present unique operational concerns. WFD is formatted to help increase your level of preparedness for disasters and improve your operational skills in subpar conditions.

We are sure you will find WFD to be a challenging yet exciting and rewarding event!

This is a great time for new HAMs to come and operate on HF (Control Operators will be present). This will be a no pressure fun way to get on HF, we will show you the way.

Location Information:

The Delaware-Lehigh Amateur Radio Club (DLARC) will be hosting its Winter Field Day event at the Milk House.

The W3OK Repeater will be monitored for anyone needing drive in assistance or directions.

51.760, Linked 146.700, Linked 444.900
