

Meeting December 2nd at IU20

The Prez Sez

by Bryan, AA3WM

Well, we're almost at the end of another year! Christmas season is upon us, and that means the WX3MAS Christmas City Special Event Station is in a few weeks.

This two-day event, December 11th and 12th this year, has been a tradition of this club for quite a while, and it is an excellent opportunity to make some radio contacts around the world - especially on HF. Al Wiemann, W3CE, is this year's chairman of the WX3MAS event, so check with him on where you can help out. Also check out the DLARC website for additional information.

Of course, since it is the end of the year, DUES ARE DUE! Check out the mailing label on this newsletter. If it has something like "EXP 12 31 04" then your dues are in fact due.

As winter comes upon us, there is also a threat of bad weather. One of the services provided by members of our club is emergency transportation during bad weather. If you have a vehicle that is capable of transport duty during bad weather, such as a four-wheel drive SUV or truck (that has room for passengers), and you are willing to help out during such an emergency - contact Dick Dech, KA3MOU, and let him know. In years past, we have been called

Christmas City WX3MAS Event

by Al, W3CE

The special event station WX3MAS will soon be on the air again. This will be the 35th anniversary of the first time that call was used by the DLARC. Lets make this a great year to celebrate that fact. This year's event will be held on Dec 11th and 12th, from 9 AM to 9 PM each day, at the Graystone building at Gracedale. We still need operators and goodies to eat. If you did not sign up at the November meeting please email me at w3ce@entermail.net, or call 610-262-6977, with your operating preferences and what type, if any, food you would like to bring. All members are encouraged to participate. Techs will be able to operate with control operators present.

Emmaus Halloween Parade

by Bob, KE3AW

The 2004 Emmaus Halloween Parade is now part of history, but surely it will be remembered.

With touch and go weather the parade participants and spectators gathered in Emmaus Saturday, October 16. It looked like the rainy weather was over, and then, just before the parade was to begin, we had a 10-minute downpour. That left bands, floats, spectators and some hams drenched. But the show must go on, and it did, with spirits hardly dampened. The rest of the evening was cool and dry, and the parade, this year longer by an additional division, provided an entertaining show for all to see.

DLARC had good representation in the parade, with a total of 20 members involved with parade communications, most riding in their vehicles within the parade, always within the click of the mike key from contact with net control and the parade marshal, and ready to report any problems or potential trouble.

Both the Emmaus Halloween Committee and I want to express thanks to all those who helped make this year's parade a successful event. They are:

Thalia/ KB3CSR, Bill/N2DH, Joe/KE3DZ, Dave/KD1GT, Joe/W3JD, Ricky/KB3LLM, Mark/AK3M, Dick/KA3MOU and MaryAnn, Bob/N3OLH, Bruce/KA3ONZ, Jay/N3OW, Bill/NC3P, Jeff/N3QZT, Larry/NR3R, Bill/KA3RBH, Ray/W3TDF, Glenn/N3ULW, Jill/N3ZSR, and Bob/KE3AW.

Dave/KD1GT served well as net control on-site, with Bruce/KA3ONZ as a remote-site backup. Ricky/KB3LLM was this year's roving pedestrian patrol. The remaining members, along with family and friends, were in vehicles in the parade.

After the parade about 20 of us gathered at a local restaurant for a snack and an informal social time.

Again this year the Emmaus Halloween Committee has thanked us verbally, as well as with a generous monetary donation to DLARC for the service we provided.

We also thank the Lehigh Valley Amateur Radio Club (W3OI) in Allentown for the use of their club repeater on 147.135 during this year's parade.

de Bob, KE3AW

DLARC Dues Reminder!

by Dick, KA3MOU

It is that time of the year! Dues are due for 2005. Read below and you will see how to pay your dues. Please when paying dues by mail included your call sign either on your check or the envelope.

If your DUES are not paid by FEBRUARY 5, 2005 membership will be terminated. Reinstatement to membership by the MARCH meeting will be accepted without penalty. Thereafter, reinstatement application shall be the same as for a new member.

on for this service, and we need to be prepared again this year.

Each March, in memory of Amy Zimmerman, KD3TI, the DLARC Executive Committee seeks to present the Amy Zimmerman Memorial Award to an amateur radio operator "*In Appreciation for Unselfish Services Rendered to Amateur Radio and the Community*". The Executive Committee would like your input into this process by having you nominate an amateur radio operator that has exhibited these traits through out this past year. If you would like to nominate someone, please give their name to me or to one of the other board members by the January 2005 General meeting.

I am looking forward to a great year in 2005, one in which we as members of the DLARC will continue making a contribution to our communities through the amateur radio service.

I wish you all a very Blessed and Merry Christmas!
