

Meeting April 6th at the 911 center

The Prez Sez

by Bill, N2DH

And now a word
from our
President

Hellooooooo April!

Is spring just around the corner
or is there a snow storm hiding
in the wings?

The robins have arrived the crocuses are sprouting
and it is time to think about outside things.

Set up your list!

Antenna repairs. check the guys. new antennas. all
kinds of stuff.

With spring we need to get serious about helping our
chair- persons with the Hamfest, and who is going to
volunteer to run the Field Day Event?

There are MS walks, the MS 150 and much more.

I know I talked about these events before, but is
anyone listening?

The weather messed up the March meeting, but I
hope to see all of you at the April meeting.

Come out and get involved with some of the events
we are going to be having.

If "ham radio " is just chatting on the repeater we
might just as well try channel 19!

Nothing else exciting for this month.

Treasurer's Report

by Dick, KA3MOU

Delaware-Lehigh Amateur Radio Club, Inc. Income & Loss Statement.

Hi members,

Since there was no club meeting March 2, 2006, I will not have a report for the newsletter. You will see my report for March and April in May's newsletter.

Items For Sale

by Barry, KU3X

1. Datong FL-1 Audio filter. This is a great audio filter which will narrow down the audio bandwidth to as low as 50 cycles and not cause a ringing sound like some audio filters. It will also automatically notch out a carrier from broadcast station. This filter was top of the line when it came out and sold for \$179. I had it from new.

Price now is: \$50.00

2. Icom model FL-101 CW 250 hz filter. Fits the IC 706 series and many more Icom radios.

Price is: \$70.00

3. Dentron WV-1 SWR/Power Meter. Excellent condition. Range is 50 to 150 mhz. Two power scales, 20 and 200 watts. SO 239 connectors on the rear.

Prices is: \$45.00

4. Stablex Electronics Corp. 13.8 vdc @ 10 amp power supply. Short circuit protected. This is a great power supply I have used for years on my dual band radios.

Price is: \$45.00

5. MJF-1272BY Mic/TNC switch that will work with numerous radios. 8 pin round mic connector.
Price is: \$10.00

These items are listed on the DLARC's web page with pictures.
Phone anytime: 610-317-9779 and leave message.
