### Meeting November 2<sup>nd</sup> at the 911 center

#### The Prez Sez

by Bill, N2DH

Here we are the QSO party is history, and the Halloween Parade has passed us by!

Another election has put some new blood into power, and we can all hope that the new board members will serve as well as those of the past.

I would like to thank N3EYT, N3QZT and N3NVA for there outstanding service.

N3SQD will continue to serve but as club secretary.

I wish to thank all for allowing me to serve as President for another year.

Why are you a member of the DLARC???

We have over 200 hams on the roll, and we sit at general meetings hoping that we will have a quorum.

I know work and family keeps many of you away, but I would really like to see more of our members take an active roll in the club.

It would be great if we could get more of our members to think of or present a program at a meeting. Business meetings can be boring but they are

necessary, it is the monthly program that makes meetings interesting.

Coming up in a few weeks will be our annual Christmas party and the WX3MAS event.

Try and get involved with both if you can.

My soapbox is collapsing, so enough for now.

Meet you at the next meeting

73, de Bill, N2DH
