September 2007

Club Meeting September 6th at the 911 Center

Final Meeting Before Club Elections

Come out to nominate or to announce your candidacy for any of the Club Officer or board positions.

Christmas City, WX3MAS is 38 this year

WX3MAS will be on the air again this year , under the joint chairmanship of of Doreen, KB3PDL and Lou, KB2VCI. This event will be held on December 8th and 9th. Details will be forth coming in this news letter and at the meetings. But as usual operators will be needed and snacks also to maintain their strength. Be sure to sign up when the sheets come available.

Al, W3CE has been chairman for the last three years, and was ready to pass on the responsibility. We thank him for the job he did, to keep WX3MAS something the Amateur Radio Community around the country seem to be looking for each December.

NEWS LETTER

The News Letter is back, be sure to tell any club member who doesn't know this. Hopefully it will be on the website indefinitely, without any misses. This is your source of the latest DLARC information, since there is no longer a paper version of the newsletter.

Emmaus Halloween Parade

It is that time of the year again and Bob, KE3AW, is looking for operators for the Emmaus Halloween Parade. Be sure to let him know of your interest, so that he can plan for proper coverage. This parade is held in the middle of October, Bob will need time to work out details, once he has operators.(ke3aw@arrl.net)

VE Test Session

The next VE test session will be September 7th at 7 PM at the 911 center. Pretest registration is required. Contact George, N3SQD (george@bioserve.com) or Al, W3CE (w3ce@verizon.net) to do so.

DLARC Picnic

September 16th will be the date for this years picnic. It will be held at The Louise Moore Park, in Lower Nazareth Township. We have a pavilion on the east side of Country Club Road. Will be starting about Noon and goes until. Al, W3CE is the chairman for this event and would need to know in advance the probable attendance, and to be able coordinate the food so as to insure a wide spread menu.

License Classes

The Amateur Radio license classes will start September 18th, also at the 911 Center. Details can be obtained from Bob, KE3AW, at ke3aw@arrl.net.

Pennsylvania QSO Party

Don't forget that October brings the PA QSO Party, and it would be nice to see the DLARC return to its former position as #1 club in the state. The date is October 13th and 14th. All club members should try and make some contacts. Technicians should remember they can work 2 meter and 6 meters for contacts except they must be simplex contacts not repeater contacts. All points count for the D.L.A.R.C.

Wednesday Night Nets

Additional net Controls are needed for the Wednesday Night DLARC, ARES and RACES net. If we can get enough interested operators, it will only be necessary for each operator to have one net session in each 3 month period. Actually 13 weeks in a period, so 13 operators would be ideal and maybe some backups. Interested parties should contact, KA3MOU or KC3II.

FYI

Don't forget to check the "The For Sale" items on the website under the MISC heading.

Eastern Pennsylvania District 2 VHF ARES Net meets every Wednesday at 1930 hours local time (Just after the D.L.A.R.C. Net) on the W3HA repeater 147.255, pl 100.0.

The program for the September Meeting, will be Paul, N0KIA, Speaking on "Preparing For A Public Event".

Keep in mind May 17, 2008. The Boy Scouts of America are holding a Jamboree at Kutztown University. The DLARC will be putting on a Demo station. Al, W3CE is chairperson for this event, and will need help.
