

DELAWARE LEHIGH AMATEUR RADIO CLUB Inc.

JANUARY 2012

W3OK

CORRAL

**Club Meeting January 5th 7:30PM
At the Bethlehem Area Vo-Tech School**

IMPORTANT NOTICE

Beginning with the January 5th monthly meeting, the D.L.A.R.C. Will be meeting at the Bethlehem Area Vo-Tech School. Located at 3300 Chester Ave, Bethlehem, Pa. 18020. This location is only a few blocks NW of the Nancy Run Fire Company, which will be under going renovations.

There is plenty of level parking, offering a welcome improvement to our Members, friends, and guests with accessibility issues. Here is a short cut to the Google Map for directions. <http://tinyurl.com/7ezjz3h>,

MEETING PROGRAM

**Digital Modes For The Military
Mel / W3SQ**

**FROM THE SHACK OF THE PRESIDENT
GAME ON!**

January 2nd the New York Rangers visit the City of Brotherly Love to play the Flyers in the NHL's Winter Classic. This is a once a year thing that takes hockey back to its roots when it was played on ponds and frozen over rivers.

What does this have to do with Ham Radio?

Well...

Nothing.

I like hockey and used to play on a frozen pond when we lived in the Poconos and I'm a Rangers fan. I can watch this game, the best players, playing like it used to be. Like I used to play.

I'm not in Ham Radio long enough to be able to look back and say I remember when it was real.

I know, I know, real is subjective.

Brand new Hams worked for their license, yet a Ham in his 80's or 90's might think that the criteria to become a Ham has been so diluted that they might as well just give the tag away to anyone willing to refer to themselves as a lunch meat. These same new Hams will experience that same feeling in years to come.

I'll be honest, I do feel a little of this already with the total drop of a code requirement.

Looking at equipment makes you wonder sometimes too. While one guy gets himself the top of the line rig with all the bells and whistles and wonders how they did it in the old days with killer voltages right in the open on the key, an old timer might wonder what that Ham will do if the power goes out because the old timer has a parts drawers and spare batteries.

Some of us newbies love the old stuff and that's all we use, while there's old-timers who continue to experiment and move to the new thing as they get older.

The hobby goes on. Just like hockey has traveled thru the years. I played with old skates and a wooden stick in the freezing cold for the love of the game and January 2nd the Rangers and Flyers will play like I used to but with razor sharp top of the line skates and graphite sticks.

It's the same enjoyment.

We as Hams can enjoy this same atmosphere. The club meetings brings all of us together regardless of how we play. Field day as well.

Let's revel in our shared enjoyment of the hobby by creating fun memorable times as members of the D.L.A.R.C.

Don't forget we are meeting at the Bethlehem Area Vo-Tech starting in January. I hope to see you all there. The cafeteria leaves us enough room to hold the whole club.

Another reminder as well is the March Mini Hamfest. We have invited some of the other local clubs to come along out that night to check out the tables and maybe some of them will hold a table as well. Tables are \$2 each.

This will get to almost all of you before New Years; please be good or as my Grandfather used to say, "Be good, if ya can't be good, be careful."

Charlie / W3OPA

JANUARY CONTESTING AT THE OK CORRAL

January 7th & 8th – Original QRP Contest
 January 14th & 15th –North American QSO Party - CW
 January 21st & 22nd – Hungarian DX Contest
 January 28th & 29th – CQ 160 Meter Contest - CW

MINUTES FROM THE DECEMBER MEETING

The general meeting of the Delaware-Lehigh Amateur Radio Club Inc. was held at the Nancy Run Fire Co. in Bethlehem Twp., PA, on December 1, 2011.

Call To Order: The meeting convened at 1934 hrs. with President **Charlie Lazarchak / W3OPA** presiding.

Pledge of Allegiance: Led by **Charlie / W3OPA**

Members in Attendance: 46 with several guests: **Will / N1VEV** and wife Maria, **Dick / KB3ALG**, **Chris / KB3WTM**, **Jerry / KB3WQL**, **Nikki / KB3WQK**, Georgia/Not Issued, **Andy / KB3WPN**, **Elix / AC7HU**'s wife and children, **Evelyn / WA3YRK**'s spouse Charlie, Steve H., and Jeff B. and his sons

Activities of Members: Charlie/W3OPA opened the meeting by asking the membership what they had been doing recently? **Dave / NB3R** reported that the 10M band had been wide open and propagation to Asia during the past month has been very good for both phone and CW. **Jon / NJ3I** added that during the past week he has had good success on the 40 M band communicating with Japan via phone. **Jeff / N3QO** shared that he had put up a "tri-bander" antenna in just the past week. **Bob / NE2C** reported that the minor renovations at the Milk House are proceeding well.

REPORTS:

Approval of the Minutes: The minutes of the November meeting were approved upon a motion by **Doreen / KB3PDL**, 2nd by **Ken / N3IYX**. **Motion carried.**

Treasurer's Report: **Mike / KB3LOD** gave the October Treasurer's Report which was approved on a motion by **Jay / N3OW** and 2nd by **Carl / AA3IX**. **Motion carried.**

Milk House: **Dave / NB3R** reported that activity at the Milk House has been active with new hams recently making an appearance. The discussions have been about what radio equipment someone new to the hobby may want to buy, what is a good HF antenna, and questions of that kind. Plans are underway to paint the generator room with paint generously provided by **Bob / NE2C** and to patch the floor. The aim is to complete the work before the Christmas City Special Event on December 10th and 11th.

Repeater: **George / N3SQD** reported that **Carolyn / K3UMY**'s voice has apparently triggered calls to the 911 Center. **Ken / N3YIX** confirmed that **Barry / N3NVA** is working on it. **George / N3SQD** will discuss with **Barry / N3NVA** how the problem could be resolved. Later in the meeting, **Al / W3CE** reported that a problem with the repeater exists. He has heard odd noises on the repeater from time to time. **Ben / KB3CTX** confirmed that he has also heard similar noises. **George / N3SQD** will be asking **Barry / N3NVA** to look into the problem.

Website: **Brad / W3JXQ** had no problems to report. He was not aware of a problem with members not being able to log on as was reported in the minutes for last month. **Don / KC3II** reported that the member that complained to him about not being able to log on has not called back, and Don thinks the problem resolved itself.

Technical Classes: **Bob / KE3AW** reported that this season's Technical and General classes have been a great success.

The classes have produced 6 new Technicians and 4 new Generals. The instructors in these classes, **George / N3SQD**, **Al / W3CE**, and **Chris / NU3L** are to be congratulated. Bob also reported that three other hams were able to upgrade to Extra: **Dennis / N3SXI**, **Joe / AB3OS**, and **Jimi / KB3WGE**.

Six New Technicians

Chris Adams KB3WQM
Gerold Blossy KB3WQL
Georgia Keramus KB3WTL
Nikki Keramus KB3WQK
Chris Garvey KB3WTM
Leonard Saul KB3WTN

Four New Generals

Peter Golian KB3WTP
Dean Kranz N3HOG
Nick Tsamutalis KB3WTO
Dennis Rice N3SXI

Three New Extras

Dennis Rice N3SXI
Joe Garvey AB3OS
Jimi Uttard KB3WGE

Charlie / W3OPA took a moment to congratulate the new hams and those earning an upgrade. Charlie observed that it was nice to see several women get their Technical license in a field of interest that had been traditionally male. Charlie wished the women well in starting a, hopefully, life-time interest in Amateur Radio.

VE Session: **George / N3SQD** reported that the next VE Session will be held on January 6th.

Membership Report: **Charlie / W3OPA** introduced **George / N3SQD** to the members as the new Chairman of Membership replacing **Dave / NB3R** who resigned at the previous Club meeting. George reported that membership numbers 179. **George / N3SQD** then presented 7 candidates for membership:

Nikki Keramus KB3WQK
Leonard Saul KB3WTN
Gerold Blossy KB3WQL
Chris Adams KB3WQM
Christine Garvey KB3WTM
T. Richard Schaeffer KB3ALG
Andrew Blasko III KB3WPN

A motion to accept all candidates as members was made by **Chris / NU3L** and 2nd by **Jay / N3OW**. **Motion carried.**

OLD BUSINESS:

Bethlehem Vo-Tech: **Charlie / W3OPA** announced that the Club's next meeting and all future meetings will take place at Bethlehem Vocational/Technical School in the cafeteria on the second floor. Directions to the new location can be found in the December newsletter. The new building has plenty of handicap parking spaces and elevator service.

No smoking or weapons are permitted on school grounds. **Charlie / W3OPA** then recognized **Ed / AA3OU's** service to the Club in originally finding the Nancy Run Firehouse for our Club meetings. Ed received a round of applause from the members.

Amy Zimmerman: Charlie / W3OPA reminded the members that it is time to consider who would be a fitting recipient of the Amy Zimmerman Award for 2012. This award is given in March to an amateur radio operator for unselfish contribution to Amateur Radio and the community during the previous calendar year. See a very good description of the award in the December newsletter. Any name a member thinks worthy of consideration should be submitted to **Charlie / W3OPA** or another member of the Executive Committee with a written narrative as to why the candidate should be considered for the Award.

NEW BUSINESS :

Theme for 2012: Charlie / W3OPA reported that the costume theme that we followed during 2011 will not be continued in 2012. **Charlie / W3OPA** and **Pete / NL7XM** have decided to replace it with another fun diversion with details to follow.

Chairperson Needed: A Chairperson is needed for Presentations, but the good news is that the slate of monthly programs for 2012 has been filled. The "Dues Reminder Postcard" that will be mailed shortly lists the programs for 2012. Attendance at these presentations is encouraged.

Awards: Charley / W3OPA asked **George / N3SQD** to step forward to accept a plaque honoring George's past service as President of the Club. George received a nice round of applause from the membership. **Charlie / W3OPA** then revealed the pictorial award that he designed for members that "took the bull by the horns" and contributed to the success of the Club this year. The picture, bearing the Club logo, depicted a rodeo clown in action with a hand on the bull, trying to distract the bull and protect the rider after he is thrown from his mount. Those receiving this award served the Club this past year by maintaining Club operations, including the D.L.A.R.C. Newsletter; by chairing the functional departments of the Club; by chairing the Club events; or by other continual service to the Club's activities. Those so honored were Brad / W3JXQ, Barry / N3NVA, Don / KA3JWE, Tom / KB3IUE, Charlie / W3OPA, Charley / W3WXO, Ben / KB3CTX, Howard / WO3P, Don / KC3II, Paul / KB3LIC, Jeff / N3QO, Bob / NE2C, Barry / KU3X, Al / W3CE, Jon / NJ3I, Ray / W3TDF, Doreen / KB3PDL, Bob / KE3AW, George / N3SQD, Dave / NB3R, and Pete / NL7XM.

Charlie / W3OPA then asked the members of the Board to stand and be recognized by name: Charlie / W3OPA, Dave / N3EYT, Mike / KB3LOD, Jay / N3OW, George / N3SQD, Dave/KA3IWC, Jon/NJ3I, Bob/NE2C, and Joe/AB3OS. Gary/N2AUO was absent.

Final Moments: Elix / AC7HU introduced his family to the members. **Carl / AA3IX** took a moment to question why the membership no longer received a phone call reminding them of the monthly meeting. **Ben / KB3CTX** observed that, if the Club wanted to resume this phone service, the database with members' phone numbers would probably have to be updated.

Holiday Greeting: Charlie / W3OPA had the final word and wished everyone a Merry Christmas and a Happy Hanukkah.

Adjournment: With no further business, the meeting was adjourned.

Program: Annual Christmas Party

Raffle Winner: Everyone.

Theme Winner: Doreen / KB3PDL won for the best costume.

Respectfully submitted by **Joe Garvey / AB3OS**, Secretary.

THEME WINNER

The December theme was Santa, Mrs Clause and the elves. Santa failed to make it, but Mrs Claus and 3 elves did appear. And with the vote of the members present, Mrs Clause was the winner. **Doreen / KB3PDL** was the winner of the final theme for 2011.

NEW MEMBERS

The DLARC is continuing to grow, so be sure to greet our new members, shake their hands, and give them a warm welcome to our club. The newest members are Nikki Keramus / KB3WQK, Leonard Saul / KB3WTN, Gerold Blossey / KB3WQL, Chris Adams / KB3WQM, Christine Garvey / KB3WTM, T. Richard Schaeffer / KB3ALG, Andrew Blasko III / KB3WPN

PETE VAROUNIS - NL7XM

P.O. Box 3026 EASTON, PA 18043-3026
TWELVEVDC@AOL.COM

Reasonably providing the following research in these popular categories:

Original Licensure Appearances

Lost and Forgotten Callsigns
Where's My Elmer?

DECEMBER MEETING

The December meeting program was as usual the annual DLARC's holiday party. Attended by members and their families, with plenty of good food and friendship. Awards were given to members who contributed to the DLARC throughout the year. Old friendship renewed and new friendships made. Just a fulfilling end to the calendar year 2011

MEMBERSHIP DUES ARE DUE!

It's that time, already! DUES are payable for the calendar year 2012. Here's how easy it is to remit your club DUES and keep your valuable D.L.A.R.C. Membership current. Whether in person or by mail, **CHECKS made payable to the D.L.A.R.C.** are the preferred method of payment to more accurately record your timely renewal. Please ensure that your callsign appears somewhere on the instrument, such as in the memo field. Paying with cash is discouraged, but if you really, *really* have to, kindly make certain you are prepared with the correct sum according to the rate table shown below. Remember, if your DUES are not paid by February 1st, your membership will expire.

2012 DUES Rates / No Changes
Regular Membership 18-64 years of age:
Jan. - Dec.\$17.-
65 and over, or retired from all forms of employment (no age limit)
Jan. - Dec.\$12.-
Additional Family member
each \$3.-
Associate Individual Membership \$10.-

You are strongly encouraged to MAIL your DUES so that I may conduct the bulk of the record-keeping duties apart from where I believe you deserve the most of my attention. In person at Club Meetings, I'd prefer to answer your questions, address your concerns, and welcome your thoughtful revenue raising and savings ideas. Therefore, it is firmly advocated that DUES correspondence be mailed to:

**Michael J. Gower
1511 Shelbourne Drive
Bethlehem, Pa. 18018**

Enclosing a S.A.S.E will bring your new membership card back to you immediately if you can't attend the next Meeting where they are routinely distributed. You may write to me anytime with questions regarding DUES, or to discuss issues that you believe are my responsibility at: Treasurer@dlarc.org Include your phone number if you prefer a live reply.

de Mike / KB3LOD, DLARC Treasurer

HARD COPY SUBSCRIPTION

You must sign up if you want a hard copy newsletter subscription. The rate stays the same this year at \$10. This is exclusively for the newsletter only to cover printing and mailing. The price of maintaining a Bulk Mailing Permit is too expensive to justify with the size of our Membership, thus the first class postage requirement. This will squarely cover the cost of paper and printing supplies for 12 issues. To subscribe contact Pete / NL7XM at nl7xm@arrl.net

PAST PRESIDENT'S AWARD

At the December meeting, President Charlie / W3OPA presented George / N3SQD with a plaque honoring him for his services as president of the D.L.A.R.C. for the past two years.

JANUARY VE TEST SESSION

There will be a test session this month on January 6th at 7 PM at the Northampton County 911 center. Pretest registration is required. Contact George / N3SQD at george@bioserv.com or Al / W3CE at w3ce@arrl.net.

2011 PA QSO PARTY PRELIMINARY REPOPRT

The early report on the DLARC's efforts for this years contest was; 22 members participated, scoring 1,321,212 points.

MONTHLY BRAIN TEASER

"A special prize awaits the first Club Member to submit the correct answer to this month's Brainteaser to the Pete / NL7XM at nl7xm@arrl.net. The winner must be present at the next Meeting to receive it, or it goes unrewarded. Officers, Board members, and Brain Teaser Authors are not eligible to win."

de NL7XM

DECEMBER BRAINTEASER ANSWER

The letter e is the most common letter in the English language.
yet it never appears in the entire paragraph

The winner is **Bob / KE3AW**

JANUARY BRAINTEASER

A man was killed on Sunday morning. His wife found the body and called the police.

The police arrived and questioned the chef, maid, butler, and gardener.

Their alibis were:

Chef - making breakfast

Maid - getting mail

Butler - setting table

Gardener - watering plants

The police immediately arrested the criminal. Who was it and how did they know?

BULL BY THE HORN'S AWARDS

Annually the DLARC acknowledges the members who have contributed to the club operations. These can be chairing an event or a department or other services to the club. This year's award winners were; Brad / W3JXQ, Barry / N3NVA, Don / KA3JWE, Tom / KB3IUE, Charlie / W3OPA, Charlie / W3WXO, Ben / KB3CTX, Howard / WO3P, Don / KC3II, Paul / KB3LIC, Jeff / N3QO, Bob / NE2C, Barry / KU3X, Al / W3CE, Jon / NJ3I, Ray / W3TDF, Doreen / KB3PDL, Bob / KE3AW, George / N3SQD, Dave / NB3R, and Pete / NL7XM. Congratulations and thanks to them for their services to the DLARC.

THE AMY ZIMMERMAN AWARD

Each March in Memory of **Amy Zimmerman / KD3TI**, the DLARC Executive Committee seeks to present The Amy Zimmerman to an amateur radio operator "**In Appreciation For Unselfish Services Rendered To Amateur Radio And The Community**" The Executive Committee would like your input into this process by having you nominate an amateur radio operator who has exhibited these traits though out this past year. If you would like to nominate someone, please give their name to one of the board members by the January 2012 general meeting.

DLARC FORUM

Subscribing to the DLARCforum will insure your accessibility to the DLARC's latest news and information pertaining to the club and its activities. This is also a way to address any questions to the membership in general, on any amateur radio and/or DLARC subject. Additional forum information is available in the January 2009 issue of the OK Corral. Go to

<http://mailman.qth.net/mailman/listinfo/dlarcforum> to sign up for the DLARCforum.

NOTICE

Bill / KA3RBH is in need of a .01 uf 1400 WVDC capacitor. If you can help contact him at philbert17@verizon.net.

CARVING OUT TIME FOR HAM RADIO

BY Dan Romanchik, KB6NU

On a recent episode of This Week in Tech (www.twit.tv), Leo Laporte, W6TWT, mentions ham radio, and a guest asks him how much time he is spending on the air. Leo, who just recently got his Tech license says "Zero!" and laughs.

This is not uncommon. Lots of people seem to get a ham radio license and then do very little with it. I think one reason for this is that they don't take into account how much time the hobby really can eat up.

They get their ticket because it seems like a cool thing to do, but then they have to carve out some time to actually be a ham radio operator. Even if you don't make any of your own gear, setting up a station takes time, and then there is the operating time, of course. Carving time out of busy schedules—and I would guess that Laporte has a pretty busy schedule being the owner of TWiT—is a challenge.

I see things like this all the time. At one ham radio club meeting that I attended, the club vice president asked, "OK, here's the question of the month. How many of you actually got on the air in the past month." Less than half of those in attendance raised their hands. Geez, I thought to myself, why do they even bother to come to meetings if they don't get on the air?

Making time for ham radio

So, if you're a busy person, how do you make time for ham radio? Well, being the Internet geek that I am, I Googled, "making time for things you love." I got a lot of links to sites that talked about work-life balance and some new-age blogs, but none of them offered much in the way of concrete advice.

Then, I Googled "make time for hobbies" and right off the bat, I found two good articles—7 Creative Ways to Make Time For Your Creative Hobby! (<http://www.exploringwomanhood.com/homelife/hobbies/maketime.htm>) and 5 Ways to Make Time for Your Hobby (<http://o5.com/5-ways-to-make-time-for-your-hobby/>). Both articles offered very similar advice. Here are four points that both made:

1. Schedule it. Set aside a specific time during which you're going to do ham radio. Don't let that time get pre-empted. Designate a place in your home for ham radio. Having to set up your radios or dig out your tools every time you want to
2. operate or build something is not much fun and wastes a lot of time. Having a "shack" and a workspace designated for your projects will let you spend more time on the fun stuff. Partner up. Arranging to work with another ham will make it harder to blow off ham radio for some other activity.
3. Besides, it's a lot of fun to do things with other hams. If you're a newly licensed ham, find an Elmer. There really are plenty around who would be willing to help you.
4. Create a project plan. Setting up an amateur radio station is no small feat. Breaking it down into smaller chunks will make it seem more doable, and you'll get a feeling of accomplishment when you meet your in-between goals.

There's so much to learn and do in amateur radio that it can seem quite overwhelming. I think that's one reason why so many Techs never really get into the hobby and why some experienced hams drift away. I think if you follow the advice above, though, you'll not only find the time to pursue amateur radio, but get a lot more out of it

REDNERS' SUPERMARKETS SAVE-A-TAPE PROGRAM

Here's how it works:

Redner's has a terrific program to support the Club **AT NO COST TO THEM**, if our members simply sign up for a Gas Card that records their shopping points, and give their cash register receipts to, **Pete / NL7XM**, He'll do the rest.

Note: This does not affect your gas points in any way.

HELP THE ENVIRONMENT

Donate your old, empty printer ink cartridges to the Club for recycling. Any brand, model, size or shape; color or black. Please bring them to the meeting in a leak proof ziplock type baggie and give them to Pete / NL7XM. This simple act can help your Club by reducing recurring expenses, and make you feel a lot better about our environment.

RACES EMERGENCY REQUIREMENTS

As of September 2006, NIMS IS-700 and ICS-100 course certifications are required in order to receive the county issued photo IDs. The photo IDs are required by federal law for participation in, on site RACES emergency operations. These courses can be taken on line by going to www.fema.gov and following the directions. These requirements are not needed to participate in the weekly Wednesday nets. The only requirement for these nets is a valid amateur radio license and an interest in emergency communications.

WEDNESDAY NIGHT NETS

Additional Net Controls are needed for the Wednesday Night ARES, RACES & DLARC net. If we have enough interested operators, it will only be necessary for each operator to have only one net session in each three month period. Actually 13 weeks in a period, so 13 net controls would be ideal, and maybe some extras to fill in if needed. This would give us a pool of experienced controls, for any emergency which would arise. Interested operators should contact Don / KC3II at kc3ii@arrl.net. The NIMS IS-700 and ICS-100 courses are not required to be a net control, but should the need arise and we do supply controls and operators for real emergencies, then the courses requirement will be in effect and EMA issued IDs will be needed to be on the scene of an emergency.

F.Y.I.

The winners of the December Prizes were all the members present.
The February Program will be "Heart Health Monitor" Cardiologist Dr. K. Khalighi MD

The D.L.A.R.C. meets the "FIRST" Thursday of each month. Membership, friends and interested persons meet at the Bethlehem Area Vo-Tech School (3300 Chester Avenue, Bethlehem, Pa. 18020) at 7:30 PM. Committee reports and announcements of all present and future activities will be presented at that time. Followed by that month's program.

The EASTERN PENNSYLVANIA District 2 ARES Net meets every Wednesday at 1930 hours local time. (Just after the DLARC Net) On 147.255 (pl 162.2). And linked to 449.375 on Blue Mountain, 443.350 in Allentown and 147.180 in Berks County.

D-Star Mid-Atlantic Regional net meets the second and fourth Tuesdays of each month on the 147.165 port with a number of other repeaters in Eastern Pennsylvania, New Jersey and New York City area .

The OK Corral is an organization publication for the purpose of informing members of the D.L.A.R.C. of educational and training opportunities, club events, relevant news articles and a monthly calendar of daily activities, meetings and dates. Every member of the D.L.A.R.C. Is welcome to contribute articles of interest to this newsletter. Opinions, items of interest, and even suggestions towards the improvement of newsletter and/or the DLARC, itself would also be accepted, as a sort of "Letters to the Editor" section.

The Milkhouse telephone number is 484-895-7038.
